**Trauma Update
For
The New Decade**

April 28, 2010

The Greater Richmond
Convention Center
403 North Third Street
Richmond, VA 23219

Course Description

“Trauma Update For The New Decade” is designed to inform attendees about current challenges and solutions in trauma management.

Target Audience

Physicians (faculty and housestaff), Nurses and EMS providers.

Objectives

At the conclusion of this meeting the successful learner should be better able to:

- 1.) describe the field triage of trauma patients
- 2.) explain pre-hospital hemorrhage control
- 3.) outline airway management
- 4.) define resuscitation of the geriatric patient
- 5.) identify the role of hypothermia in the management of trauma
- 6.) identify the initial stabilization of patients with pelvic fractures
- 7.) distinguish the appropriate use of CT
- 8.) compare lessons that can be learned by medicolegal cases and autopsies.

Accreditation

University Health Services Professional Education Programs (UHS-PEP) of Virginia Commonwealth University Health System is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

UHS-PEP designates this educational activity for a maximum of **7 AMA PRA Category 1 Credits™**. Physicians should only claim credit commensurate with the extent of their participation in the activity.

This continuing education activity meets the criteria of Virginia Commonwealth University and the Southern Association of Colleges and Schools. 0.7 CEUs will be awarded and recorded with the University.

Category 1 ALS and BLS CEUs will be offered for pre-hospital providers through the Virginia Office of EMS.
